## Equipment | Exterior

■ **Heated outside mirrors** are a welcome convenience in cold-weather driving.

■ **Recessed chrome-edged front "kidney" grille** with matte graphite vertical slats (in Z4 3.0i, shown) or black slats (Z4 2.5i, not shown)

■ **Ellipsoid, halogen free-form foglights** are neatly integrated into the front bumper, uniformly illuminating the road ahead in bad weather.

□ **Xenon headlights** illuminate the road ahead and to the side with brilliant clarity. These low- and high-beam headlights provide greater roadside detail when driving at night.

■ **Side indicator lights** with white lenses. When flashing, the light radiates outward from behind BMW's signature roundel.

■ **Heated, glass rear window** and easy, one-hand release/lock operation allow the softtop to make the Z4 Roadster into a comfortable all-weather car. Thanks to a new folding sequence, the softtop's front section doubles as a tonneau cover and lies flush for a neat appearance. When the top is up, its variable storage compartment can be used to stow added cargo.

■ Standard □ Optional (or included in a package)

## Equipment | Exterior

■ **Roll-over Protection Bars** behind the headrests, as well as sheet-tube-reinforced windshield pillars, help provide excellent protection in the event of a rollover.

■ Z4 Roadster 2.5i with **16x7.0 Cross Spoke (Styling 104) cast-alloy wheels** and **225/50R-16 run-flat performance tires.**<sup>1</sup>

■ Z4 Roadster 3.0i with **17x8.0 Twin Spoke (Styling 103) cast-alloy wheels** and **225/45R-17 run-flat performance tires.**<sup>2</sup>

□ Z4 Roadster 3.0i Sport Package with **Ellipsoid (Styling 107) cast-alloy wheels**, 18x8.0 front, 18x8.5 rear; and **225/40R-18 front, 255/35R-18 rear run-flat performance tires.**<sup>2</sup>

<sup>1</sup>Z4 2.5i with run-flat tires is not equipped with a spare tire and wheel. Performance tires not recommended for driving in snow and ice conditions.

<sup>2</sup>Z4 2.5i and Z4 3.0i with run-flat tires are not equipped with a spare tire and wheel. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in snow and ice conditions.

□ Z4 Roadster 2.5i Sport Package with **17x8.0 Turbine (Styling 106) cast-alloy wheels** and **225/45R-17 run-flat performance tires.**<sup>2</sup>

## Standard Equipment | Optional Equipment

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of printing. BMW reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. BMW may, subject to legal requirements, determine the Model Year designation of its vehicles. The Model Year designation on any particular model may be longer or shorter than 12 months. Some vehicles pictured may contain non-U.S. equipment. Some models may be shown with optional equipment. While BMW NA makes all reasonable efforts to provide accurate information in this brochure, there is no guarantee or warranty of accuracy. Furthermore, we do not assume any liability for the accuracy or completeness of information presented. This brochure shall not be used or relied upon as a substitute for information that is available from your BMW center. Further information can be obtained from your authorized BMW center or [bmwusa.com](http://bmwusa.com).

Performance and efficiency	Z4 Roadster 2.5i	Z4 Roadster 3.0i	Handling and braking (continued)	Z4 Roadster 2.5i	Z4 Roadster 3.0i
2.5-liter, 184-hp dual overhead cam (DOHC), 24-valve inline 6-cylinder engine with Double-VANOS steplessly variable valve timing	●		4-wheel anti-lock disc brakes, ventilated front and solid rear, vacuum-assisted	●	
3.0-liter, 225-hp dual overhead cam (DOHC), 24-valve inline 6-cylinder engine with Double-VANOS steplessly variable valve timing		●	4-wheel anti-lock disc brakes, ventilated front and rear, vacuum-assisted		●
Aluminum block and cylinder head	●	●	Front and rear anti-roll (stabilizer) bars	●	●
Chain camshaft drive (no periodic maintenance)	●	●	Twin-tube gas-pressure shock absorbers	●	●
Dual resonance intake system	●	●	Sport suspension	□	□
Electronic throttle system	●	●	<b>Exterior and aerodynamics</b>		
Dynamic Driving Control (Sport Button) <sup>1</sup>	□	□	Front and rear body-color bumpers	●	●
Electronically controlled engine cooling	●	●	4-headlight system within aerodynamic covers	●	●
Direct ignition with knock control	●	●	Halogen ellipsoid low-beam/free-form high-beam headlights	●	●
5-speed manual transmission with direct fifth gear	●		Xenon low- and high-beam headlights	○	○
6-speed manual transmission		●	Foglights	●	●
5-speed STEPTRONIC <sup>2</sup> automatic transmission with Adaptive Transmission Control	○	○	Heated windshield-washer jets	●	●
6-speed Sequential Manual Gearbox (SMG) with Automated and Manual shift modes <sup>3</sup>		○	Heated outside mirrors	●	●
<b>Handling and braking</b>			2-speed + intermittent windshield wipers with adjustable and car-speed-sensitive interval, single-wipe operation	●	●
16x7.0 Cross Spoke (Styling 104) cast-alloy wheels and 225/50R-16 run-flat tires <sup>4</sup>	●		White side-turn indicator lenses behind BMW logo roundels	●	●
17x8.0 Twin Spoke (Styling 103) cast-alloy wheels and 225/45R-17 run-flat tires <sup>4, 5</sup>		●	Metallic paint	○	○

Variable softtop compartment	●	●	Sport suspension	□	□

<sup>6</sup> See your authorized BMW center for details and limitations when ordering Aftersales/Accessories listed.

<sup>7</sup> Requires Sport Package. Not available with Leatherette upholstery.

<sup>8</sup> Included with Active Sport or High Performance Leather upholstery.

<sup>9</sup> Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator, for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.
